Re: 20-Years-Anniversary of KHCP

Dear Pia and Peter,

Thank you so much for your email!

I just looked at the KHCP website with Lama Ole and read him all sorts of things. There's so much information that it's impossible to take it all in in a short time. Very impressive!

The Lama said, "That's good."

I'd be happy to organize a meeting. You just need to let me know in advance when you can/want to come.

All the best, Anna

PS: Here are two pictures for you.
